Message: Mr. President,
I voted for you twice. We are in a huge crisis in WV due to this chemical spill. We feel like lab rats. Please show WV some support. Just because the majority didn't vote for you here in WV doesn't mean there aren't citizens who have argued and fought on your behalf. The silence from DC has been deafening on this subject. The whole situation is pathetic. Please look into this Sir. We have small children. We need clean water.

Sincerely,
